

DELTA CARE COORDINATION PROGRAM

Missouri Highlands Health Care (MHHC) Delta Care Coordination Program is currently accepting people who have:

- A chronic (ongoing) condition (ex. diabetes, obesity, smoking, asthma, anxiety, ADHD, depression, COPD, heart disease, arthritis, etc.
- No Health Insurance

The program offers:

- An assigned MHHC Community Health Worker (CHW) to help you navigate your chronic condition and ongoing care.
- Delta 250- an allowance of \$250 to be used toward prescriptions and other limited medical services.
- \$25 gas vouchers to needed medical appointments, once per year.

Not sure if you qualify? Just ask!

DELTA CARE COORDINATION PROGRAM

CHW

COMMUNITY HEALTH WORKER

Missouri Highlands Health Care's Delta Care Coordination Program utilizes community health workers to find the right care for you.

We can assist with:

- Care coordination of medical services to Health Departments and other health care entities
- Specialist and medical supply referrals
- Health education and informal counseling
- Understanding & managing your chronic conditions
- Understanding doctor recommendations for ongoing care
- Bridge the gap between your medical care team and yourself
- Advocate for individual and community health needs
- Outreach & Engagement
- Help locate food pantries and other community resources
- Basic screenings & Assessments
- Assist with obtaining the COVID-19 vaccine

Assist in multiple assistance program applications:

- Hospital financial assistance
- Energy & rental assistance
- Daycare assistance
