

## DELTA CARE COORDINATION PROGRAM

# CHW

## COMMUNITY HEALTH WORKER

Missouri Highlands Health Care's Delta Care Coordination Program utilizes community health workers to find the right care for you.

### We can assist with:

- Care coordination of medical services to Health Departments and other health care providers
- Specialist and medical supply referrals
- Health education and informal counseling
- Understanding & managing your chronic conditions
- Understanding doctor recommendations for ongoing care
- Bridge the gap between your medical care team and yourself
- Advocate for individual and community health needs
- Outreach & Engagement
- Help locate food pantries and other community resources
- Basic screenings & Assessments

### Assist in multiple assistance program applications:

- Hospital financial assistance
- Energy & rental assistance
- Daycare assistance

\*This project is/was supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number and title for grant amount (specify grant number, title, total award amount and percentage financed with nongovernmental sources). This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.\*

### Our Mission

Missouri Highlands Health Care, a non-profit organization and federally qualified health center, endeavors to meet the primary and preventative health care needs of the residents of Carter, Reynolds, Shannon, Iron, Ripley, Butler and Wayne counties in Missouri.

### Our Vision

To grow and succeed, continually striving for excellence as we identify and address well-defined health care needs within our medically underserved region.

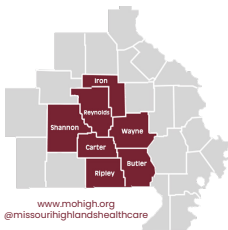

There is a Missouri Highlands medical facility right around the corner.

QUALITY CARE, CLOSE TO HOME

## Missouri Highlands Health Care (MHHC) Delta Care Coordination Program is currently accepting people who have:

- A chronic (ongoing) condition (ex. diabetes, obesity, asthma, anxiety, ADHD, depression, COPD, heart disease, arthritis, and more)
- No Health Insurance

## The Program Offers:

- An assigned MHHC Community Health Worker (CHW) to help you navigate your chronic condition and ongoing care.
- Delta 250- an allowance of \$250 to be used toward prescription medications and other limited medical services.
- \$25 gas vouchers to needed medical appointments, once per year.

## WE ARE HERE FOR YOU

- Advocate for individual and community health needs
- Engage in health education activities
- Fill the gap between patients and healthcare providers
- Help patients navigate healthcare and social service systems
- Manage care and care transitions for rural populations
- Attend Health Fairs and community events
- Help locate food pantries and other community resources
