

Patient Portal: Easy Start Guide

How to Sign Up

1. Tell your clinic you want to sign up for the Patient Portal.
2. Give them your email and phone number.
3. You'll get an email invite—open it and click "Register".
4. Choose how to get your security code (text or call).
5. Enter the code, then create a password (write it down so you don't forget!).
6. You're in! Start using your Patient Portal.

What You Can Do on the Portal

See Visit Info

Look up past visits, reasons for appointments, and vaccination records.

Appointments

Check upcoming or past visits and even schedule your own!

Forms

Download and fill out forms like:

- Patient Demographics
- Consent to Treat
- Sliding Fee App & more

Messages

Securely send questions or updates to your Missouri Highlands Providers, CHWs, and PCHH Nurse Care Manager

Billing & Payments

Pay bills, see statements, review payment history, and contact billing staff.

Test Results & Medications

View test results, check medications, request refills, and see which pharmacy is listed.

Care Summary

Review who you saw, why, treatment plans, labs, and prescriptions.

Medical Records

Access and download your records from Missouri Highlands clinics.

Reminders & Tools

Get health reminders, view referrals, and explore health education.

Profile Settings

Update your personal info, change your password, and (optional) add family access.
